Elective 2008: Community Seeks Commitments On Local Pool

By [Name] [Address] [Phone] [Email]

THE COMMUNITY has been asked to make its views known on the proposed new swimming pool for the area.

The pool is part of a larger development and is expected to be completed by 2008.

The pool will be a 25m x 10m pool with a depth of 1.2m. It will also have a 10m x 5m children's pool.

The pool will be used for swimming lessons, leisure swimming and water aerobics.

The pool will be open from 9am to 6pm, seven days a week.

The pool will be managed by the local council.

The pool will be a valuable asset to the community and will provide a safe and enjoyable environment for all.

It is hoped that the pool will encourage more people to take up swimming and water aerobics.

The pool will also provide a safe and enjoyable environment for children to play in.

The pool will be a valuable asset to the community and will provide a safe and enjoyable environment for all.

The pool will be managed by the local council.

The pool will be a valuable asset to the community and will provide a safe and enjoyable environment for all.
